# ENHANCED ESSENTIAL Probiotics

---

Our gut microbiome is home to trillions of bacteria – both good and bad -- coexisting together inside our intestines. While tiny in size, these dynamic microorganisms play a pivotal role on the entire operation of our body – from our digestion and mood to our immunity and weight management.\*

Introducing good bacteria to our diets can go a long way to helping us achieve just the right balance of microflora needed for optimal health.\*

---

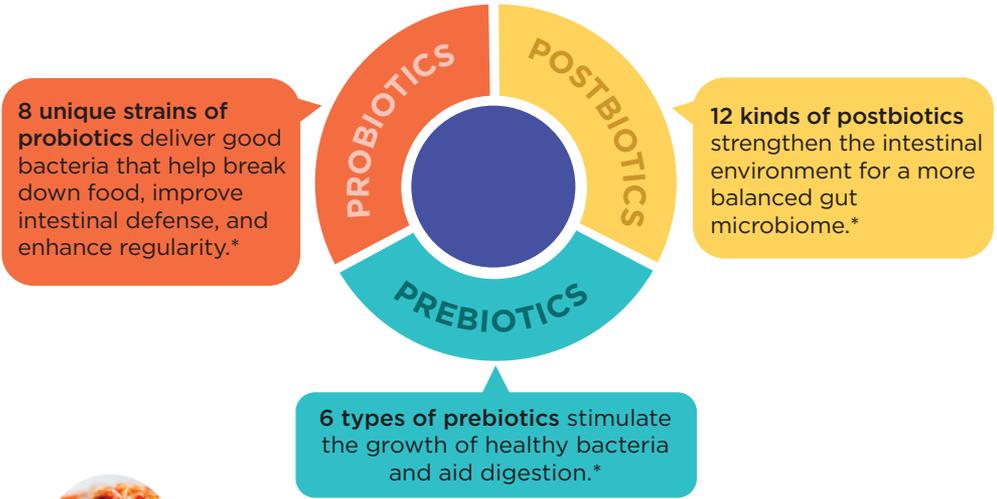

## ENHANCED ESSENTIAL PROBIOTICS

is an easy-to-use supplement designed to nourish the gut and support healthy digestion.\* With a proprietary blend of prebiotics, probiotics, and postbiotics, it gives your body comprehensive daily support to safeguard against harmful bacteria, relieve common gastrointestinal discomforts, and improve intestinal defense.\* By taking Enhanced Essential Probiotics once a day after a meal, you can help strengthen the intestinal environment for a healthier and more balanced you.\*

\*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

## KEY INGREDIENTS

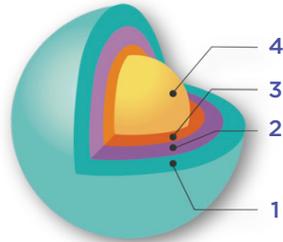

A three-pronged approach to promote peak gut health\*

Derived from kimchi, *Lactobacillus plantarum* is a highly resilient strain of probiotics known to ward off harmful bacteria and eliminate toxins from the body.\*

## QUADRUPLE COATING TECHNOLOGY

To ensure maximum effectiveness and impact, Enhanced Essential Probiotics uses a patented delivery system called **quadruple coating technology** to preserve the integrity of the probiotics. By providing four robust layers of protection, it significantly increases the survival rate of the probiotics as they pass through the digestive tract, ensuring that they successfully reach the intestines and allow your body to reap maximum health benefits.

## KEY BENEFITS

- Delivers over 10 billion probiotics per serving
- Promotes ultimate intestinal health\*
- Relieves common gastrointestinal discomforts such as occasional constipation and upset stomach\*
- Helps facilitate the absorption of nutrients\*
- Maintains optimal function of digestive system\*
- Supports the body's immune system\*
- Certified by the Korean Ministry of Food and Drug Safety (MFDS)
