# Skindulgence Daily Gentle Facial Cleanser

The foundation for healthy, glowing skin starts with proper cleansing. As the important first step in a daily skin care routine, facial cleansing eliminates buildup of dirt, grime, and other unwanted impurities that have accumulated on the skin throughout the day and is essential for restoring the skin's natural balance. When we don't cleanse effectively, it can lead to buildup in pores, contribute to dryness or irritation and hinder us from absorbing maximum effects from our other skin care products.

Give your skin its most purifying cleanse yet with the Skindulgence Daily Gentle Facial Cleanser. Made with more than 98% naturally-derived ingredients, this vegan facial cleanser softly washes away daily impurities and removes dirt, oils, and makeup for a perfectly clean and visibly refreshed appearance. It features nourishing plant extracts and protective antioxidants that soothe and replenish healthy hydration and its lightweight creamy texture leaves skin feeling soft and supple. Use as part of your daily regimen to put your best face forward day and night.
