WELLNESS

Collagen Supreme

Collagen is essential to the health and beauty of the body. As an important component of connective tissues, collagen maintains the structure of our tendons, skin, bones, joints, and muscles, and is vital for preserving the skin's hydration and firmness. However, our collagen production slows down naturally over time, contributing to the aging process. Reduced collagen levels in the body can lead to the appearance of more fine lines and wrinkles, dull or sagging skin, weaker hair and nails, joint discomfort, and more.

To help you turn back the clock, NHT Global brings you Collagen Supreme. Made with powerful collagen peptides and other beauty-enhancing nutrients, this premium drink supplement supplies vital building blocks to help promote a more youthful you from the inside out. Its main ingredient, marine collagen peptides, are clinically proven to replenish collagen levels while also improving the appearance of skin's hydration and elasticity. The formula also provides hyaluronic acid for improved skin moisture, Vitamin C to support the body's collagen production, and MSM and chondroitin sulfate for joint and connective tissue support.* By boosting your beauty and wellness from within, Collagen Supreme works to support a glowing complexion, stronger hair and nails, and healthier joints. So that you can look and feel younger from head to toe.

Key Ingredients

				
Hydrolyzed Marine Collagen Peptides	Chondroitin Sulfate	Vitamin C	Hyaluronic Acid	
An innovative source of Type I collagen with clinically proven benefits for skin's hydration and elasticity	Supports healthy joints and connective tissues	A powerful antioxidant that protects against free radicals and supports collagen production	Increases moisture retention and combats the appearance of skin aging	
				
Biotin	MSM	Aloe Vera Gel	Zinc	Copper
Helps strengthen hair, skin, and nails	Promotes joint comfort and mobility	Nourishes skin and hair from the inside out	An essential nutrient for healthy skin	Supports the body's production of collagen and elastin

Key Benefits

- ✓ Supports collagen and elastin production

Unflavored formula - mix with water, juice, tea, coffee, milk, or smoothies!

Keto-friendly, paleo-friendly, and pescatarian-friendly

Designed for daily use

Free of gluten, sugar, dairy, soy, added flavors, and added sweeteners

Clinical Trial Results

In a double-blind, placebo-controlled trial, participants consuming our Hydrolyzed Marine Collagen Peptides experienced significant improvements to their skin's health and appearance:

- ✓ improved the appearance of **skin elasticity** after 4 weeks¹
- ✓ increased the appearance of **skin hydration** after 4 weeks¹
- ✓ improved the appearance of **collagen content** after 8 weeks¹
- ✓ reduced the appearance of **eye wrinkles** after 8 weeks¹

¹The clinical trial results are based on participants consuming Hydrolyzed Marine Collagen Peptides daily for 4 to 8 consecutive weeks. The amount of Hydrolyzed Marine Collagen Peptides that participants consumed in the clinical trial is equivalent to the amount present in 1 stick pack of Collagen Supreme. Individual results may vary.

DIRECTIONS FOR USE

Empty contents of one stick pack into 8 oz (250 ml) of water or your favorite beverage, and stir until dissolved. Consume one stick pack daily.

Helpful Tip: This product may clump in cold liquids. For best results, we recommend using room temperature liquids.

CAUTIONS

- Not suitable for consumption by children, pregnant or nursing women.
- Consult your healthcare professional before use if you are under medical treatment or allergic to certain ingredients.
- Once opened, consume immediately.
- Keep out of reach of children.
- Store in a cool, dry place and away from direct light and extreme humidity.
